

"One Year Later" October 2008

Activities/ get the word out

- Fortunately or not quiet no raids of yet so no practice of protocols—small rural county---
- Articles in the paper every 2 months by all team players—ie . Pastor Todd, community person, sheriff, DHS—sponsored by DEC
- Ran a half page ad about prescription drugs abuse—DEC
- Service clubs—still trying to meet
- Working on statistical program or gathering—Flo left
- Drug Sweep by Health-Law Enforcement, DHS, Aurora Hospitals, Schools, and Aging Dept.(54lbs) collected—sponsored by DEC team
- Shirts as part as our marketing plan—developed logo and stationary already
- Offered technical assistance to La Cross County and Menominee Tribal Police – Mark Waukau who is the Chief of Police
- Still active broad range of participants--

Challenges/Lessons learned

- Chairperson or leader---share this role—spread the wealth & responsibility
- Meetings of DEC team less frequent
- Articles slipped off—someone to make sure
- Meetings in community slipped some

Future Goals

- Mock drill of protocols
- Consistent Articles through the year in news paper
- Shared chair of meetings
- Statistics
- How do we keep kids involved or engaged in process?
